JINAAM'S DRESS LIMITED

WHISTLE BLOWER POLICY

(Meant only for use of Directors/Employees of Jinaam's Dress Limited)

1. PREAMBLE

The Company is committed to the conduct of the affairs in a fair and transparent manner by adopting the best practices with highest standards of integrity, professionalism and ethics. As part of the process of ensuring adherence to these tenets, the Company has adopted the Document for Governance and Conduct, which lays down the principles and standards that should govern the actions of the Company and its directors and employees. Revised Clause 49 of the Listing Agreement provides for a mandatory requirement for all listed entities to establish a mechanism called "Whistle Blower Policy" for directors and employees to report to the management instances of any unethical behaviours, actual or suspected, fraud or violation of the company's code of conduct or ethics policy. The Companies Act, 2013 also mandates a vigil mechanism for employees and Directors to report their genuine concerns.

Accordingly, this Whistle-blower Policy ("the Policy") has been formulated with a view to provide a mechanism for Directors and employees of the Company to report genuine concerns about unethical behaviour, actual or suspected fraud or violation of the codes contained in the Company's Document for Governance and Conduct.

This Policy comes into force from 1st October, 2014 and shall be in force as amended from time to time.

2. SCOPE AND ELIGIBILITY:

This policy is an extension of the company's Document for Governance and Conduct. The Whistle Blower's role is to report matters of concern with reliable information on hand. They are not expected to investigate or find any facts nor are they expected to determine a corrective action. They should not act on their own in conducting any investigative activities nor do they have any right to participate in any investigative activities other than as requested by the Corporate Governance Officer or the Chairman of the Audit Committee. The purpose of this policy is to provide a framework to promote responsible and secure whistle blowing. It protects employees wishing to raise a concern about serious irregularities within the Company.

The policy neither releases employees from their duty of confidentiality in the course of their work, nor is it a route for taking up a grievance about a personal situation.
